

Websites that Offer Free Resources

- <http://30days.familieslearning.org/> - National Center for Families Learning's guide to 30 Days of Families Learning Together provides a month's worth of family literacy activities and practices designed to inspire family memories rooted in imagining, playing, and learning together.
- <https://www.common sense.org/education> - Common Sense is a nonprofit organization dedicated to improving the lives of kids and families by providing the trustworthy information, education, and independent voice they need to thrive in the 21st century.
- <https://cultivatingreaders.com> - The Cultivating Readers Family Guide provides tips to grow reading skills from birth to age eight. The guide will help parents keep their shared learning activities with their children fun and part of their everyday routine. Available in both English and Spanish. A bookmark template offers ideas for parents on how to make the most of the time they spend reading with their child. It also features a question-and-answer guide to help children develop oral language skills and build vocabulary.
- <https://www.familieslearning.org/resources/familiesfamily-literacy/38#nav> - The Event Guide is designed to help schools and community-based organizations host successful family learning events, using Parent and Child Together (PACT) Time® as a key component. Complete with thorough checklists and detailed agendas, the Event Guide is a great resource to engage families and make your next event a success.
- <http://read.gov/> - The Center for the Book in the Library of Congress invites people of all ages to discover the fascinating people, places and events that await you whenever you read.
- <http://www.scholastic.com/parents/play/> - Scholastic Family Playground Interactive provide games, printables and videos, ages 3 - 7 and interactive games, printables and videos, ages 8 – 12.
- <https://www.storylineonline.net> – The Screen Actors Guild The SAG Foundation's children's literacy website, Storyline Online, streams imaginatively produced videos featuring celebrated actors reading children's books.
- <https://www.wonderopolis.org> - A place where natural curiosity and imagination lead to exploration and discovery in learners of all ages. Each day, they pose an intriguing question—the Wonder of the Day®—and explore it in a variety of ways.
